

### A Pathway Home for Ava and Eli

John and Misha have a wonderful son whom they adopted four years ago. They knew they wanted him to have a sibling, so they chose to adopt another child. They were selected by a birth mother carrying twins and were thrilled with the idea of a large family.

John shared, “Things can be very hectic, but everyone is doing well. The children have adjusted beautifully to their new home, and their older brother is enjoying his new role as a big brother.”

With the help of *Pathways for Little Feet*, these two beautiful children have found the love, attention, and care of a permanent family.
