

A Pathway Home for Abigail

Jonathan and Cherry longed to love and nurture a child. After contemplating their options, they chose adoption as a positive means of bringing a child into their family. With financial assistance from *Pathways for Little Feet*, they were able to make that dream a reality.

Abigail, a beautiful, healthy baby girl, was adopted when she was two days old. She is thriving in her new home and is receiving the love and attention every child deserves.

Cherry stated, "We cannot imagine our lives without our little gift from God. We are blessed every day with the joy of taking care of our daughter, and we are so happy we chose adoption to start our family."
